

EDE DINESH VENKATA PAVAN KUMAR

Hyderabad, Telangana

+91 6281785368 | edvpavankumar@gmail.com | GitHub | LinkedIn

Professional Summary

Motivated B.Tech Information Technology student with strong foundations in Java, Data Structures and Algorithms, Object-Oriented Programming, Database Management Systems, and Operating Systems. Passionate about software development and problem-solving, with hands-on experience building real-world applications and working in professional environments.

Education

ACE Engineering College, Hyderabad
Bachelor of Technology (Information Technology)
CGPA: 7.81/10

Expected 2027

Government Polytechnic Masab Tank, Hyderabad
Diploma in Automobile Engineering
GPA: 7.76/10

2024

Technical Skills

- **Programming Language:** Java
- **Core Subjects:** Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems
- **Database:** MySQL
- **Tools:** Git, GitHub, VS Code, Eclipse IDE

Projects

AI-Based Career Recommendation System

- Developed a web-based platform that recommends career paths based on student skills and academic performance.
- Implemented OTP-based password recovery and user authentication.
- Added skill-gap analysis and internship recommendation features.
- Built a responsive and user-friendly interface.
- Technologies: Flask, MySQL, HTML, CSS, Bootstrap, JavaScript.

Pneumatic Bumper Ejection System

- Designed an automobile safety mechanism using ultrasonic sensors for obstacle detection.
- Developed an automated bumper ejection concept to reduce collision impact.
- Improved safety through real-time object detection and response.

Internship Experience

Olympus Motors (AUDI), Hyderabad

6 Months

- Worked as a Technician for 3 months assisting in vehicle diagnostics and maintenance.
- Worked as a Service Advisor for 3 months supporting customer service operations.
- Developed practical problem-solving, teamwork, and communication skills.

Achievements

- HackerRank Java 4-Star (Silver Badge).
- Successfully completed a 6-month industrial internship at Olympus Motors (AUDI).
- Developed software and database-integrated academic projects.

Soft Skills

- Problem Solving
- Team Collaboration
- Communication Skills
- Adaptability
- Quick Learning
